

Customer Services – Service unlimited

Warranty services

Extended warranty

When you buy a ProMinent system, you have already selected a product offering superlative quality and reliability. Our attractive extended warranty also sets you up perfectly in the long term for worst-case scenarios. Benefit from our various options and pay a fixed calculable fee to protect yourself from unexpected repair costs.

Extension options

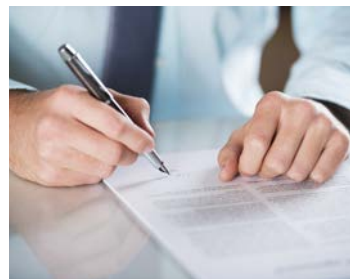

- +12 months extended warranty

You can rely on that

- Free rectification of any defects covered by the warranty
- Use of genuine spare parts

Clear benefits for you!

- Complete cost control
- Production reliability

Ready for you.
